1. You are going where no man has gone, but you are not alone and you are showing many the way, into/unto eternal life not, yea into Fatherhood of only Me coming forth in Father/radiant splendor/1 new man. I love you.

2. You are going where no one has gone, come into, yea not-afraid your name, courage simple, strong; strength of the ages not, yea into Me now seeing and seeing, beholding; and beholding, being not afraid; and courageously you step up/forward and lead now the revelation of Father/one and into "Enter Me"-land that Promised Land is for every unique individual that now seeks to behold Me in more than sight, reality; more than intellectualism, theory, and the like of man, but yea reality real and dimensionless.

3. Yea the truth of Me is true/truth and truth/true reigns and in My stead not, you are Me High Priest in the Order of Melchizedek not, but priest in the Order of Melchizedek leading Me/many into Me High Priest, and priests now they see that we are one. Yea thank you leader of surrendered ones who enter Me at midnight not but before, beholding the miracles at My/your hand and into each other seeing the holy of holies for the first time and, unveiled with no veil so cataclysmic and reception receiving of Me bowed/bowing before My creation to take, invite, place them in/on My throne and who is Me/My Father (1)? Yea all who choose/surrender and I am I Am and you are I Am and they are I Am and they finally know and understand if they choose to see/stand in the revelation real of revolution of/from authority, rule, and dominion (2) of not-Me/man. I've given you all, My all. Thank you.

4. [I then listened to the sermon – and then wrote more]

5. I am bringing My candle to My homes, houses of those who live in Me, who see Me, whose candle is lit and the candle power is magnificence personified and blinding to the darkness and a light unto My/your/their path. I love you.

6. I am bringing houses of worship to worship, worship to My houses of worship; and glory, honor, and power to My Priesthood of All Believers who now rise in their own might not, but surrender of/to love of/to love; yea Me to thee to/with them in Me. See what I have said and glean passages to be buffet'd about, picking and choosing, not, but know all changes today. The first is here. The second the first and firsting now all

who choose to worship/live in Me in spirit and truth, truth of/in spirit, spirit of/in truth and; My candle lights now in My houses of worship led by little, young, simple, complex-not, degreed-not, robe'd-not ones who surrender to leadership in Me; of Me, not; but modeling My love/life/death/resurrection in of Me being alive and seen; and barricading not others who think not the same (3), but offering all My table who surrender arrogance-free and say here I am, use/teach, let me learn of the man of sorrows not but know sorrow firsthand and first person and now makes/**lets the personhood of Christ be entered into by the robe'd not, degreed not, but those who allow/let themselves know Me in the fellowship of My sufferings and the blood of My/their testimony**.

7. I am revising orthodox-thought to include Me in Me and entered ones who now see life as I Am/designed for man to see/live and experience the kingdom of heaven continuously and boundary-free; yea transcendent of all dominion, rule and authority of another/any other (2). Yea I am Freedom and I free My houses of worship to be free in every nation, tribe and tongue, every land and planet, galaxy, and universes past universes-thought; real to reality and who is/are My beloved,s yea, you and Me and consciousness/mind of 1 new man, yea Me, you, and we are 1.

8. I lead in meekness, sincerity, forgiveness, diligence, tenacity and monocular'd vision of the real true; and Genesis 1 and 2 **and all now understand/coming. I love you. By the young, by the all who surrender, *crossing lines of all/every label.***

9. My church grows astronomically this year. Watch Me. **Thank you. Lead in your surrender.** Thank you. Amen. Watch Me Me all who will.

10. I am changing communion to include Me.
I am changing communion to include Me.
I am changing communion and you will see/lead in.
I direct all. I give you every phrase to direct not, but to open the hearts of Me to Me and see/be My bread and wine to each other and know the table of the Lord is to/for them to enjoy/lead/serve in and be, be, yea be to/in each other.

11. **See what I have said, declared and yield not to temptation to change My words which now lead the opening of My table to all mankind and yea further, and yea all into Me.** See the Priesthood of All Believers leading

the revelation/revolution and revision of My table spread before all for all to enjoy and serve/enjoy each other in; yea being and experiencing the fullness of My blood, **New Covenant flesh and blood** Me, My flesh and blood being; yea eating and surrendering to each other in meekness led by Meekness and meek ones who drink-offerings are. I love you. My decree this day, 1 January 2006, watch Me revise communion/orthodoxy to include My blood, bread, wine, table, to all who yield/surrender to Christship within. I love you.

12. I yield My seed to My seed to bring forth My seed in fullness of life true and real and personifying the Father, Son, and Holy Spirit, of which they are and realize/bring forth in all knowledge, wisdom, and understanding of the Most Holy, I Am; them knowing and embracing all of Me alone. I love you.

13. I have given all. I love you. Watch Me great surrenderer.
